

Year 2 Home Learning Project

Black History Month takes place every October. It is a time to celebrate the black community's culture, heritage and achievements. For your home learning project, I would like you to choose an inspirational person, research their life and achievements and then create a presentation for your class. The presentation can be an informative poster or powerpoint (please email ppt to the school admin email)

Here are some ideas:

Walter Tull (188-1918) was an English professional footballer and British Army Officer

Sir Trevor McDonald is a journalist and news presenter

Benjamin Zephaniah is a British writer and poet

Joe Clough was the first black bus driver in

Detective Sergeant Norwell Roberts was the first black policeman in London.

Other people: Rosa Parks, Nelson Mandela, Serena Williams, Marcus Rashford, Martin Luther King.

Your project is due on Monday 4th November. I am looking forward to listening to your presentations.
